12. POINTS

GENERAL INFORMATION ON EARNING POINTS

NUMBER OF POINTS

Only round numbers of Points will be accredited. If the application of the points allocation table results in a decimal number, the total Points earned will be rounded to the nearest whole number in accordance with standard mathematical rounding rules.

If the decimal part is equal to or greater than 0.5, it will be rounded up to the next whole number. If the decimal part is less than 0.5, it will be rounded down to the previous whole number.

TRANSFERRING POINTS

Members may transfer Points to another Member, depending on which Level the former belongs to (see paragraph 14 – Points transfers). The Member acknowledges and accepts that no sums of money may be paid back in exchange for Points, even if they are lost, unused or expired.

POINTS VALIDITY

Points will be deemed valid at check-out for an Eligible Stay only, subject to the full payment thereof, and may only be used starting from the subsequent stay, with the exception of registration and birthday bonus Points. Points may be used until 30/07/2029. After this date, any unused points will be lost and it will not be possible to reinstate, transfer or redeem them for cash.

EARNING POINTS DURING AN ELIGIBLE STAY

CONDITIONS FOR COMPLETION OF AN ELIGIBLE STAY

When a Member completes an Eligible Stay, the corresponding Points will be accredited to their account within 7 (seven) days of the check-out date, provided that the check-out and the payment have been completed.

Only the Member in whose name the booking is made will be entitled to earn points.

Where several Members are sharing the same room, the Points earned may be divided subject to the following term: the total number of Points earned on an Eligible Stay will be split equally among the Members, on the strict condition that separate payments have been made and the tax receipt (or invoice) is issued individually to each Member.

NUMBER OF ROOMS

It is possible to earn Points for multiple rooms that are part of the same stay (that is, with the same check-in date), provided they are paid for by the same Member and that the latter stays in one of the rooms.

ELIGIBLE RATES FOR EARNING POINTS AND ELIGIBLE STAYS

Eligible Stays booked at an Eligible rate qualify for the earning of Points and the issuing of applicable rewards.

The following rates booked via the eligible Channels are eligible for earning Points:

- individual rates
- corporate rates
- promotional rates
- member rates
- friends and family rates

Stays booked via MICE, Groups & Events offices, Agencies, Tour Operators and OTAs will not be deemed eligible.

ELIGIBLE COSTS RELATING TO AN ELIGIBLE STAY

Only board basis costs, room packages and ancillary services such as the following are eligible for earning Points:

- Upgrade
- Early check-in/Late check-out
- Additional guest supplement (hereafter, collectively, the "Eligible Costs")

provided that all Eligible Stay costs have been paid in full and that the Member has stayed at the Hotel in person.

EARNING POINTS IN CASE OF A NO-SHOW/LATE CANCELLATION

Should a Member fail to arrive at the establishment (No-Show) or make a late cancellation, the Points will only be accredited once the penalty fee for the rate applied has been paid.

Should the payment fail for any reason whatsoever, no points will be recognised or accredited to the Member.

UNA Travel Bonus vouchers may not be used to pay the penalty fee.

CALCULATION BASE FOR EARNING POINTS

Points are calculated based on the total costs billed for the room and room packages, in addition to Eligible Costs inclusive of VAT, excluding tourist tax.

The bill must be paid in full, that is, payment must be accepted and confirmed by the Hotel. As a result, points will not be earned for payments that are suspended, blocked or otherwise unauthorised by the Member.

The Promoter reserves the right to reverse Points arising from payments made by a Member that are subsequently refunded in part or in full following a complaint made by the same.

EXCLUDED COSTS

The following costs do not entitle the Member to earn Points:

- taxes, tips, taxi journeys, transfers to and from the hotel, service costs and any other applicable cost;
- costs arising from any events, including private ones, paid for in full by the Member;
- all expenses and costs that are not considered Eligible Costs.

LEVEL AT THE TIME OF CHECK-OUT

The rules for allocating Benefits and Points will be those for the Level held at the time of check-in. The Member will receive a single Points accreditation at the time of check-out, following payment and issuing of the tax receipt; the accreditation will be made within 7 (seven) days of the check-out date.

BONUS POINTS

After registering in the Reserved Area, the Member will receive a bonus of 1500 Points.

The Member will receive a bonus of 1500 Points on their birthday.

Neither bonus will contribute towards reaching a higher level.

13. LEVELS

Throughout the duration of the Programme, the Member may move up to a higher level if they reach the number of Points required (see paragraph 11. Points - Means of earning Points during an eligible stay). Eligibility for the 4th level, "Lover", is uniquely subject to earning the required number of Points and completing at least 4 overnight stays (see paragraph 12. Points - Means of earning Points during an eligible stay).

The number of Points earned determines which Level a Member belongs to; they may be used within the deadline of 30/07/2029, but this has no influence on the Level the Member has reached, which remains the same even after the Points have been used.

The Level reached is guaranteed until the end of the deadline for the Programme for Levels I to III. Members who have reached Level 4, "Lover", will be automatically downgraded to Level III unless they complete at least one Eligible Stay within twelve (12) consecutive months from the date they reached the aforementioned Level. In the event of a downgrade, access to Level IV will only be granted on completion of at least one Eligible Stay.

14. REWARDS

REWARDS CATALOGUE

The rewards catalogue includes a selection of services and experiences which the Member may choose using their earned Points. It can be consulted any time via a dedicated webpage, www.untourist.unaitalianhospitality.com.

Rewards are divided by category and Hotel. Only Eligible Stays made after the date of joining the Programme entitle Members to earn Points and use the Rewards set out in the Regulations.

By accessing the Rewards catalogue, it is possible to display the Rewards available and a description thereof, the value in Points and the conditions of use. Should the Reward chosen by the Member become unavailable due to subsequent impossibility and/or causes beyond the control of the Promoter and/or Participating Hotels, the Promoter guarantees to provide the Member with a reward of equal value to the chosen reward.

GIFT CARDS

With regard to the rewards catalogue, the Member may choose to convert Points earned into a Gift Card, that is, a multi-purpose voucher or a digital instrument available in different values, as set out in paragraph 14. Rewards.

Should the Member redeem their points for a Gift Card, it will only be permitted to use the same at hotels participating in the programme at the time of check-in.

LIMITATION OF LIABILITY OF THE PROMOTER

The Rewards are issued by the Promoter at the time of converting the Points, no later than 180 days after the expiry deadline for the Programme, via an email message. Members may not dispute the Reward redeemed based on their acquired Level, nor may they request the corresponding cash value or an exchange/replacement for any reason whatsoever. However, where it is not possible to deliver the Reward due to subsequent impossibility and/or reasons not attributable to the Promoter, the Promoter reserves the right to replace the announced Reward with another of an equivalent or similar nature and of equal or greater value, and in any case, where possible, with equivalent or similar characteristics, in accordance with the provisions of the law.

In no event will the Promoter be held liable for any problems arising during the use of the Rewards, or arising from their misuse by Members.

15. BENEFITS

ACCESS TO MEMBER RATES

The member rate is a benefit for Members. To access the rate, Members must identify themselves with their ID code or by providing the data given when registering.

The Member rate consists of a discount of between 2% and 40% on public rates available on the official website, in the *booking.unaitaliahospitality.com* section, excluding taxes and additional costs; it is subject to the availability of rooms at the Hotel on the dates selected.

WELCOME DRINK

Regardless of the level they have reached, all Members will receive a welcome soft drink/glass of sparkling wine during their stay via a voucher issued by the Hotel.

All consecutive stays (check-out and check-in on the same day) at the same Hotel will be considered a single stay and will not entitle Members to further vouchers offering the same benefit.

Full details will be provided at the Hotel; the voucher does not include room service.

The consumption of alcoholic drinks is bound by the legal regulations set out in Decree-Law 14 of 20th February 2017.

BIRTHDAY BONUS

On the day of their birthday every year, the Member will automatically receive 1500 Points.

Points received as part of the Birthday Bonus are not valid for the purposes of reaching, maintaining or upgrading a Level.

FREE UPGRADE

From Explorer Level upwards, Members are entitled to receive a free room upgrade during their stay.

The upgrade consists of the assignment of a room in the category immediately above the room booked, at no extra cost.

The free room upgrade is subject exclusively to availability at the Hotel at the time of checking in. It is not guaranteed at the time of booking.

Availability of the upgrade depends on various factors, including:

- the type of room booked;
- the occupancy rate at the establishment;
- internal room assignment policies.

EARLY CHECK-IN AND LATE CHECK-OUT

From Explorer Level upwards, Members may benefit from Early check-in and/or Late check-out.

Early check-in: grants access to the room before the Hotel's standard check-in time, at no extra cost.

Late check-out: enables check-out after the standard time, within the time limit established by the Hotel, at no extra cost.

Early check-in and Late check-out are subject exclusively to availability at the Hotel at the time of arrival or departure. The possibility of using these benefits depends on various factors, including:

- the occupancy rate at the Hotel;
- availability of rooms;
- the Hotel's operating requirements.

Confirmation of Early check-in or Late check-out will be given directly on-site, based on the Hotel's real-time availability.

UNA TRAVEL BONUS

From Explorer Level upwards, Members may benefit from an "UNA Travel Bonus" voucher, that is, a discount applicable in case of late cancellation or a no-show, the value of which is the same as the value of the penalty fee. The voucher is only valid at the Hotel where the original booking was made.

Should one of the Hotels leave during the duration of the Programme, it must honour the use of a previously issued UNA Travel Bonus until the expiry date, subject to the conditions specified at the time of issue.

The UNA Travel Bonus voucher is valid for 1 year after it is delivered to the Member.

The UNA Travel Bonus voucher may be used exclusively for stays where the check-out date falls within its expiry date.

The stay must be booked in advance, subject to availability at the Hotel, and it must be made via Eligible Channels for earning Points.

To use it correctly, after making a booking the Member must send an email to the Booking centre and attach a copy of the UNA Travel Bonus voucher.

The voucher can only be used by the holder of the same and for one room only.

The voucher is not cumulative, transferable or redeemable for cash in any way.

It may be used only once and constitutes a discount on the room rate. No compensation will be made if the room rate chosen is lower than the value of the voucher or in case it is lost or stolen.

The voucher may not be used to cover cancellation or no-show fees incurred with the new reservation.

DEDICATED CANCELLATION POLICY

From Passionate Level upwards, Members have access to a dedicated cancellation policy that is more flexible than the standard policy.

The dedicated cancellation policy entitles Members to change or cancel their booking under more favourable terms compared to the public rates available for the same dates at their chosen Hotel. The cancellation and payment terms may vary in respect of the dates specified in the [link](#) for Passionate Level Members. There are no limitations for Lover Level Members.

The flexible policy is reserved exclusively for Members from Passionate Level upwards; it applies only to the rates and Hotels which offer it explicitly at the time of booking.

VIP TREATMENT

An exclusive service open to Lover Level Members, designed to provide a customised, preferential experience during their stay. The treatment includes a series of dedicated products and services.

POINTS TRANSFERS

An exclusive benefit reserved for Lover Level Members. The benefit entitles Members to transfer their Points to another Member registered in the Programme.

CONDITIONS FOR POINTS TRANSFERS

The conditions are as follows:

- Transferring Points does not involve changing Level for either party;
- Transferred Points remain valid until 30/07/2029, regardless of when they were transferred;
- Transferring Points does not involve obtaining any monetary value and transferred Points cannot be converted into money;
- Points must be transferred via the Member's personal Area.

16. USE OF POINTS

Only Members may use their available Points via their own Reserved Area.

Members may use their Points as follows:

- "Pay by Point";
- Redeeming Rewards from the Rewards Catalogue;
- "Gift Cards";
- Points transfers

Points may be used to purchase services from the Rewards Catalogue until 30/07/2029, respecting the booking regulations and conditions for individual vouchers, as set out in paragraph 13. Rewards.

USING THE “PAY BY POINT” FEATURE

Where the number of Points is insufficient, a bill may be paid in full and/or in part using “Pay by Point”.

Booking a Stay using “Pay by Point” is only possible for rewards rates obtained via Eligible Channels when booking Stays using Points.

The value of Points will be calculated based on the conversion rate for Points explicitly stated on the *UNA Italian Hospitality* website.

“Pay by Point” may be used to pay for penalty bookings; a minimum expenditure of 100 points per booking is required in order for them to be used.

Point	Equivalent in euros
1 point	€0.01

When making a booking, credit card details must be provided as a guarantee, irrespective of the Member’s decision to use “Pay by Point” for the payment.

“Pay by Point” is a payment method; therefore, it is cumulative with vouchers offering a discount on the room rate.

The “Pay by Point” option requires points to be used in full, subject to the available points balance. Points may not be used in part: payment must be made in full using the points, or in full using other payment methods accepted by the Hotel.

Should the points balance be insufficient to cover the entire cost of the bill, the Member may make up the difference using other payment methods accepted by the Hotel.

One or more rooms may be paid for using “Pay by Point”, provided the rooms have been booked via Eligible Channels for using the points and the check-in falls within the expiry date for the Programme.

“Pay by Point” may not be used to pay for the following services:

- Meeting Rooms
- Group rooms
- Catering
- Events

MEANS OF USING VOUCHERS FOR CATALOGUE PRODUCTS OR SERVICES

Members may use their Points to access rewards in the rewards catalogue (Annex “A”) using vouchers with the same value as the chosen service, delivered by email. All vouchers purchased expire 1 year from the issue date.

Once purchased, the vouchers cannot be:

- altered
- extended
- converted into cash
- subdivided

The Member is responsible should the voucher be lost. In this case, the Member will not be entitled to a refund or replacement. The Promoter declines all liability in the event of loss, theft or duplication of the same.

ISSUANCE OF VOUCHERS

Vouchers can be purchased exclusively by using Points, provided that the Member’s Points balance is sufficient to cover the value of the desired voucher.

Vouchers are neither refundable nor modifiable once they have been issued. Once issued, a voucher cannot be returned or converted back into points. Vouchers cannot be used after the expiry date indicated.

MEANS OF USING GIFT CARDS

“Gift Cards” can be purchased exclusively by using Points, provided that the Member’s Points balance is sufficient to cover the value of the desired “Gift Card”.

“Gift Cards” are available in designated values and may be used to pay for stays and hotel services, excluding the following:

- Meeting Rooms
- Catering
- Group rooms
- Events

All “Gift Cards” purchased expire 1 year from the issue date.

“Gift Cards” cannot be:

- altered
- extended
- converted into cash
- transferred to third parties
- subdivided

“Gift Cards” are nominal. Members who have purchased them using their Points may issue them to any individual, even if they are not a Member of the Programme. The holder of the “Gift Card” may present it when booking or during their stay, subject to the specific instructions issued with the “Gift Card”.

17. REQUESTING MISSING POINTS

If, within 14 calendar days of the check-out date for an Eligible Stay, a Member should realise that their Points have not been accredited or have not been accredited correctly, they may ask for their Points balance to be amended. The handling and subsequent closure of the claim by the Promoter’s competent Department will be completed within a maximum of sixty (60) days from the date the claim is received. The Member should send an email to loyalty@untourist.com, indicating their first name, last name, booking number, ID code, name of the Hotel where the stay took place and a brief description of the event.

The review of a substantiated claim will result, if valid, in the correct crediting of Points to the Member’s account; the Points will be available to use from the date of credit.

Should a Member mistakenly be denied a benefit corresponding to their Level, they will be entitled to request its application during their current stay. If no such a request is made before the check-out date, no indemnity or compensation will be granted for the unused benefit, thereby releasing the Promoter from all liability.

18. COMMUNICATION

Communication for the Programme will comply with these Regulations and will be carried out on the Promoter’s social media channels, as well as through any additional forms of advertising deemed useful, adhering to and in conformity with the provisions of Presidential Decree 430/2001 regarding prize events.

Any changes made to these Regulations throughout the duration of the Programme, in respect of the rights acquired by the Recipients, will be communicated to the Recipients in advance via the same means of public communication used for these Regulations.

The Regulations will be accessible on the Promoter’s website, www.untourist.com, and available to Recipients at the Promoter’s registered offices and at the Hotels.

19. CONDITIONS AND PROCEDURES FOR CANCELLATION AND SUSPENSION

REQUEST BY MEMBERS TO UNSUBSCRIBE

The Member may decide, at any time and without stating the reason, to withdraw from the Programme by unsubscribing directly via the reserved area, www.untourist.unaitalianhospitality.com, or by sending an email message to loyalty@untourist.com.

Should the Member decide to unsubscribe and subsequently resubscribe, any Points earned previously will be forfeited permanently. The accumulation of Points will resume anew from the date of the new subscription.

SUSPENSION OR CANCELLATION AT THE ADMINISTRATION'S REQUEST

The Promoter reserves the right to check at any time whether the membership card is being used correctly, and, at their own discretion, to suspend it temporarily or permanently, with the result that Points earned are voided, in the event of use that is improper, irregular, fraudulent, unauthorised and/or in breach of these regulations.

EFFECTS OF SUSPENSION

During the Period of Suspension, the Member will not be able to use their Points.

During the Period of Suspension, and before the end of the same, the Promoter may decide:

to cancel the suspension, in which case the Member may once again access the benefits and services open to members, earn and use their Points;

to void the membership, and therefore to cancel Points earned.

These measures do not affect the Promoter's right to take any legal action against the Member.

20. DATA PROTECTION

21. MISCELLANEOUS

Participating in the Programme requires Recipients to accept unconditionally and wholly the rules and clauses set out in these Regulations, without any limitations or exceptions.

The Promoter reserves the right to carry out all necessary checks relating to the correct participation of the Recipients in the Programme. Should it emerge that Recipients have used fraudulent means and instruments or those in breach of the normal course of the Programme, they will lose their right to the reward and/or rewards assigned. In this case, the Promoter reserves the right to proceed, within the terms deemed most appropriate, and in compliance with the laws in force, to limit and inhibit any initiative aimed at defrauding and/or circumventing, directly or indirectly, the system devised and the mechanics of the Programme.

The Promoter will in no case be held liable for events not attributable to them, which may prevent Recipients taking part in the Programme and/or benefiting from the rewards provided for before the expiry date.

These regulations will be available at the registered offices of the promoter and the entry website, unaitalianhospitality.com.

The Server for the entry website is located in Italy, at the Data Center in Bologna.

The Programme is carried out in compliance with Presidential Decree 430/2001 and with the instructions set out in Memorandum 1/AMTC of 8th March 2002 of the Ministry of Industry (now the Ministry of Enterprises and Made in Italy) and all subsequent clarifications issued by the aforementioned Ministry regarding prize events.

For all matters not specified in these regulations, the Promoter defers to the provisions of Presidential Decree 430/01.
